

2023 HOSPITALITY

WELCOME TO WORCESTER RACECOURSE

Worcester Racecourse, or 'Pitchcroft' as it is also known, is a sweeping panorama between the city centre and the east bank of the River Severn. The racecourse itself is a picturesque, tree-lined oval circuit of around 13 furlongs in length (over 2,600 metres).

Worcester is one of the oldest racecourses in the country, with the first meeting being held on June 27 1718. Pitchcroft also holds a world record that will never be broken. In January 1965, 229 horses ran in eight races at Worcester, with some of the races having 34 runners! The record cannot possibly be beaten because of the safety rules now implemented that would now not allow that number of horses to run.

Today, Worcester Racecourse is known as the home of "Summer Jumps Racing" where fixtures tend to be between May and October. Highlights include Ladies Day in June, Family Fun Day, an Irish Night and for 2023, Worcester Racecourse is launching a new Rum & Reggae Night.

Out of season, the picturesque racecourse is open for events, conferences and parties, as well as utilising the open area of the centre course for fun runs, festivals and open air cinemas.

“Whilst at the races, spending quality time with friends and family in a relaxed environment is a great way to enjoy the day. Worcester Racecourse has a number of options to choose from.”
